

Online stakeholder meeting "Energy crops for bioenergy projects: prospects for Chernihiv region"

December 11, 2020

Organizers: Scientific Engineering Centre Biomass and BIOPLAT-EU Project "Promoting sustainable use of underutilized lands for bioenergy production through a web-based platform for Europe".

Goal of the online meeting: To inform about the prospects for energy crops and bioenergy projects in the Chernihiv region, to hear the views of stakeholders.

Stakeholders: biomass suppliers, government officials, politicians, equipment manufacturers, scientists, financial institutions, investors, entrepreneurs, etc.

Program

Time	Topic	Spiker
10:00 – 10:10	Opening of the seminar. Presentation of speakers.	Moderator Georgii Geletukha, UABIO
Greetings to the participants		
10:10 – 10:20	Yurii Shafarenko , Deputy Chairman of the State Agency on Energy Efficiency and Energy Saving of Ukraine: "Legislative policy to support the cultivation of energy crops"	
10:20 – 10:30	Kyrylo Tomliak , Manager of the EBRD Program: "Ukraine: Sustainable Innovations in Bioenergy Value Chains"	
Main program		
10:30 – 10:45	Roadmap for the development of bioenergy in Ukraine	Georgii Geletukha , Chairman of the Board of UABIO, director of SEC Biomass
10:45 – 11:05	Energy crops growing in Ukraine. Salix Energy experience	Iryna Gnap , Director of Agri-Energy Company "Salix Energy"
11:05 – 11:25	Energy crops growing in Ukraine. Energy Willow LTD experience	Leonid Melezhyk, Леонід Мележик , Energy Willow LTD director
11:25 – 11:45	Miscanthus growing in Ukraine. Experience of EnergoAgrar	Oleksandr Kucheruk , director "EnergoAgrar"

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No818083.
